

June Newsletter

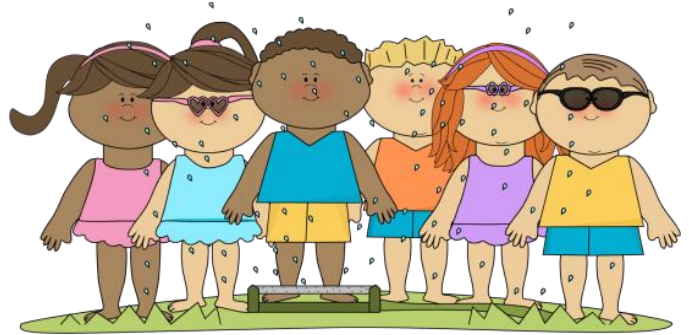

Welcome to the team Ms. Carrie, Mr. Aaron, & Mr. Andrew!

Ms. Carrie comes to us with many years of experience in childcare, and will be working with Ms. Maegan in the Preschool room.

Mr. Aaron is has joined us with a passion for science and technology along with experience in childcare and will be doing weekly STEM projects with each classroom!

Mr. Andrew comes with the desire to inspire children while having fun and will be assisting Mr. Josh & Ms. Aneasha in the school age summer program.

We will have two Splash Days this month, weather permitting! On these days, please send your child in with a bag containing swim clothes, water shoes, and a towel. The teachers will get them dressed for water play and then back into their dry clothes when it is done.

Friday, June 18

Friday June 25

Our next Kona Ice Day is July 9th. If you'd like your child to enjoy a sweet treat in the afternoon, please send them with \$3-\$5!

Reminder: If you would like to send in sunscreen for your child to wear during outside play, you must first fill out a medical form. Let your teachers know if you need a copy and they can send one home!
