

STEM Program for Home / Remote Learners

The program is designed to provide STEM experiences for school age students who are home schooled. Students can select which session they want to attend and can attend one day a week for eight weeks or sign up for multiple 8-week sessions. Each day of week is a different program.

Session 1:

Group 1: Limit 8 participants – 6-8 years of age

Group 2: Limit 8 participants – 9-10 years of age

Mondays - January 15 – March 4: Engineering Mindset Challenges

Tuesdays - January 16 - March 5 – Creativity and the Arts

Wednesdays - January 17 – March 6 – Entrepreneurship

Thursdays - January 18 – March 7 - Science Exploration

Session 2

Group 1: Limit 8 participants – 6-8 years of age

Group 2: Limit 8 participants – 9-10 years of age

Mondays – March 11 – April 29: Engineering /Innovation

Tuesdays – March 12 -April 30 – Design & 3D Printing

Wednesdays – March 13 – May 1 – Building & Structures

Thursdays – March 14 – May 2 – Biomimicry & Design

Remote Learner STEM Program will run 4 sessions yearly from September through May.

Program does not run June – August due to summer camp program.

Tuition and Fees:

\$100 one-time enrollment fee per family

\$25 Supply Fee for each session

\$224 for each 8-week session

Registration is on a first-come, first-served basis.

Call Jordan Kozel, 513-402-7318 to Register or Ask Questions

Sessions are reserved when registration and material fees are received.

Program fees must be paid prior to each session starting or student will be dropped from program.

Optional lunch hour billed weekly.
