

Summer Camp: May 31st – August 4th 2022

Back to Basics

This summer we are traveling back in time to see where so many of our technologies started and looking at how we are moving forward. This will be a summer of fun, hands on learning, and exploration.

Week 1: Summer Introduction – Brief overview and starting the camp “fire” of learning

Week 2: Food – Growing the seeds of success

Week 3: Animals – Breaking down barriers

Week 4: Communication – Putting Pen to paper

Week 5: Sports, Entertainment, and FUN! – A homerun to busting boredom

Week 6: Clothes and Sewing – And SEW it begins

Week 7: Music – I got the music in me

Week 8: Transport – Taking a trip down memory lane

Week 9: Homes/Living – Home Sweet home

Week 10: Showcase – Show us what you are made of!
