STEM Program for Remote Learners

The program is designed to provide STEM experiences for school age students who are home schooled. Students can select which session they want to attend and can attend one day a week for eight weeks or sign up for multiple 8-week sessions. Each day of week is a different program.

Session 1:

Group 1: Limit 8 participants – 6-8 years of age
Group 2: Limit 8 participants – 9-12 years of age

Mondays - January 8 – February 26: Engineering Mindset Challenges
Tuesdays - January 9-February 27 – Creativity and the Arts
Wednesdays - January 10 – February 28 – Entrepreneurship
Thursdays - January 11 – February 29 - Science Exploration

Session 2:

Group 1: Limit 8 participants – 6-8 years of age
Group 2: Limit 8 participants – 9-12 years of age

Mondays – March 11 – April 29: Engineering /Innovation
Tuesdays – March 12 -April 30 – Design & 3D Printing
Wednesdays – March 13 – May 1 – Building & Structures
Thursdays – March 14 – May 2 – Biomimicry & Design

Remote Learner STEM Program will run 4 sessions yearly from September through May.
Program does not run June – August due to summer camp program.

Tuition and Fees:

$100 one-time enrollment fee per student

$25 Supply Fee for each session

$224 for each 8-week session

Registration is on a first-come, first-served basis.
Call Jordan Kozel, 513-402-7318 to Register or Ask Questions
Sessions are reserved when registration and material fees are received.
Program fees must be paid prior to each session starting or student will be dropped from program.
Optional lunch hour billed weekly.
