

Early Preschool

November 13th and
14th Eick will close
early for conferences
at 2 p.m. and on
November 15th Eick is
having it's annual open
house from 6 to 7 p.m

In early preschool we did the mighty minutes, "farmer in the dell", we marched in place and patted our knees. Old Uncle Lou we misplaced his shoe and looked for it ,we looked up and down and over and under Tick -tock clock was our favorite this week, we explored our gross motor skills by bending , turning around and holding our balance. We got to learn our shapes and letters through shaving cream. This little piggy displays us exploring in our dramatic center. We really did enjoy our book it was called "Summer Colors" we discussed our colors.In Heggerty we are learning our beginning sounds and what rhymes. We made turkeys out of popsicle sticks with Ms.Miranda at Steam. I hope that everyone will have a wonderful weekend and I can't wait to see everyone's smiling faces next week. If you have any questions please feel free to reach out to me at abeirkemeyer@eickacademy.com. Early Preschool Educator Ms.Amanda
