

6Summer Week 6

7/5 - 7/9

I hope everyone had a great 4th of July weekend!

Where are we going?

- ❖ Egypt
- ❖ Madagascar
- ❖ Uganda
- ❖ Congo

Fun activities we will be doing:

- ❖ Marshmallow pyramids
- ❖ Lemur crafts
- ❖ Make a safari hat & binoculars
- ❖ Make traditional African masks

Global STEM Academy

EPS

The Week Ahead

This week, Early Preschool will be traveling to the different regions of Africa! We will be visiting the Northern, Eastern, Middle, and Southern regions.

Our Arctic habitat!

This week will be so exciting. We are going to start off in Egypt by riding a camel and visiting the Pyramids of Giza! Then the students will be traveling to Madagascar, where can visit the Pirate Museum of Antananarivo, the Musee Cedratom, and practice climbing like monkeys. Thursday we will be moving on to Uganda. Here, students will have a blast going on a Ugandan Safari and joining a Gorilla Trekking Tour! We finish off our week on Friday in the Congo, where we get to meet the Congo bloodhounds and hike in the Rwenzori Mountains. It should be such a fun and adventurous week!

Please see the next page for pictures from last week!

Learning how salt melts ice so we can free the animals!

Whales we made for the cold Arctic waters.

Bath bombs that we made ourselves!

Working on fine motor skills by making our own bracelets!

4th of July puzzles.
